

Uniform Guide

Welcome to the St. Mary's Primary School Uniform Guide. Our uniform is designed to foster a sense of community, equality, and respect among our students. By adhering to these guidelines, we ensure that all students present themselves in a manner that reflects the values of modesty and dignity that our school upholds.

This guide will provide you with all the necessary information to help your child comply with our uniform standards, ensuring they are neat, tidy, and ready to represent St. Mary's with pride.

Students whose appearance is unacceptable will be directed to have the problem rectified. Repeated disregard for our standards may result in a student being suspended until presentable.
